

# ***Enhancing Healthcare for Persons with Intellectual Disabilities Forum for Healthcare Providers***

**June 11, 2013  
Holiday Inn by the Bay Portland, Maine**

This one-day program will provide information valuable for improving clinical and systemic capabilities for the effective delivery of healthcare to persons with intellectual disabilities.

**Carl V. Tyler, M.D., M.Sc.**, the key presenter, was a NIH fellow and author of *'Intellectual Disabilities: A Health Care Resource,'* a guide for healthcare providers. He is currently the Geriatrics and Research Director for the Fairview Hospital/ Cleveland Clinic Family Residency Program. Dr. Tyler's clinical and research interests include the primary medical care of adults with intellectual and developmental disabilities, and practice-based health services research utilizing electronic health records.

In addition to Dr. Tyler, other professionals will present on supporting patient participation in healthcare and promoting healthy lives.

## **CME Credits Available**

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Massachusetts Medical School Office of Continuing Medical Education (UMMS-OCME) and NESCSO, Mobius, Inc. The UMMS-OCME is accredited by the ACCME to provide continuing medical education for physicians.

The University of Massachusetts Medical School designates this live activity for a maximum of *4.5 AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This offering meets the requirements for *5.4 contact hours* for nurses as specified by the Massachusetts Board of Registration in nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity.

***This event is sponsored by the New England States Consortium Systems Organization (NESCSO) and the Mid-Coast Collaborative for Intellectual and Developmental Disabilities.***

Sponsored By:

***Mid-Coast Collaborative for Intellectual and  
Developmental Disabilities***

Supported by:

***Maine Primary Care Association  
Maine Developmental Disabilities Council  
Maine Association of Community Service Providers***

Care Coordination for persons with Intellectual Disabilities (ID) will depend on understanding the challenges of effectively serving the population at the clinical and systemic levels within care coordination teams.
