# Maine AELP Loan

## Flexible Term Loans

**AELP** provides a 3.75% interest rate for all qualified borrowers. The program offers flexible term loans to individuals based in Maine with disabilities.

Loans are available from \$250 up to \$100,000. Our objective is to enable individuals with disabilities to remain as independent as possible. Loans are not based on income; but rather, an individual's ability to repay the loan. Loans can be taken by you, a friend, or a family member.

## What Qualifies for an AELP loan?

Any kind of equipment or access-related modification that makes you, a friend, or a family member more independent. Types of adaptive equipment **MAY** include:

- Wheelchairs
- Home Modifications (including ramps, stair lifts, and visual fire alarms)
- Adapted Vehicles
- TTY/Video Phones, hearing aids, computer technology
- Recreational Equipment
- Prosthetics
