Need info on COVID-19?

**[https://drme.org/news/2021/
covid-19-vaccine](https://drme.org/news/2021/covid-19-vaccine)**

How to request an at-home vaccination:

You can make a request for yourself or someone else.

Information we will need:

- # of people you are seeking vaccines for
- Addresses for each person
- Which vaccines each person wants

Later, someone from DHHS will reach out to the individual or provider to get names, DOB, and any other information needed to schedule the appointment.

Email the above information to:

jbattis@drme.org

or

advocate@drme.org
