Come and learn about parent and youth peer supports and how you can benefit from receiving these free services available in our state! Also learn how parents and youth can become peer mentors themselves.

There will be a special guest speaker, 21 year old Self-Advocate Jake Shumbo. Jake’s message of “Different Ability” versus “Disability” inspires his audiences to look beyond labels and how despite your ability you can be the leader of your own destiny.

Continental breakfast and lunch will be provided.
