Next STEP is a very unique, private pay program that combines independent living skill development with social, recreational and wellness opportunities that utilizes the STRIVE U curriculum.

The Next STEP program operates on a rolling admissions process and participants can begin at any time throughout the year. Full time is available Monday-Friday from 9:00-5:00 and early drop off is available starting at 8:00. Additionally, there are many part time opportunities available as well. Costs are \$205/week for full time, \$125/week for part time, \$50/day or \$25/half-day session.

Next STEP is a great option to consider in combination with a community support program, while on a waiting list for services, or for those who do not qualify for other services.
